

WARSAW UNIVERSITY OF LIFE SCIENCES
Chair of Agricultural Economics and International
Economic Relations

Final announcement

International conference on
Global problems of agriculture and food economy

under the patronage of

Minister of Agriculture and Rural Development
and
Marshal of the Mazowieckie Voivodeship

Warsaw, October 19th 2012

Programme

Two general sessions, the opening and the closing one, and thematic sessions will be held.

Each author (or team of authors) will be awarded up to 15 minutes for presentation of his/her/their contribution. Each part of the thematic sessions will end with discussion. The conference halls will be equipped with projectors and multimedia displays. Presentations within the thematic sessions will succeed in an alphabetical order according to the first author's name. No official simultaneous translation into English except for private translation will be provided. One separate English speaking session will be held. In the other sessions Polish will be used as a working language.

Conference location:

The halls no. 116 and 101 in building VII and no. A42/2 in building VI, Faculty of Economic Sciences, Warsaw University of Life Sciences
166 Nowoursynowska St.
Warsaw, Poland
